For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations of any size, SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic injury assistance is available regardless of whether the business suffered any property damage.

Recently, U.S. SBA Administrator Isabella Casillas Guzman [announced a policy change](#) granting 12 months of no payments and 0% interest. This pertains to all disaster loans approved in response to disasters declared on or after September 21, 2022, through September 30, 2023. This covers SBA disaster loans currently available for Hurricane Fiona and Hurricane Ian. This policy change will benefit disaster survivors and help them to decrease the overall cost of recovery by reducing the amount of accrued interest they must repay. Details are available through the SBA Disaster Assistance Customer Service Center at (800) 659-2955. Individuals with verbal or hearing impairments may dial 7-1-1 to access telecommunications relay services from 8:00 a.m. to 8:00 p.m. ET, Monday to Friday, or email: disastercustomerservice@sba.gov.
