You can help keep voting locations safe for voters and election workers in these three ways:

1 Skip the Line

Return your voted Vote By Mail ballot **by mail** (no postage necessary), at a secure **VBM Ballot Drop Box**, or at a **Voter Service Center**, which will have separate lines for voters dropping off completed ballots.

Voters who can Vote By Mail will help ensure safe physical distancing at voting locations.

2 Vote Early

Voting locations will offer voter registration, replacement ballots, accessible voting machines, and language assistance for four days from October 31st to November 3rd, Election Day.

If you visit a voting location in person, **go before Election Day** to help maintain physical distancing and avoid lines.

Follow Safety Procedures

Protect your health and the health of other voters and election workers at voting locations by taking the following precautions:

VOTING LOCATION SAFETY CHECKLIST

- Wear a face covering** while at the voting location.
- Keep 2 arms' length distance** from other people.
- Use hand sanitizer** before entering and after leaving a Voter Service Center.
- Bring your own ballpoint pen** to avoid touching high-contact surfaces.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

ANDY CALDWELL

Occupation: Government Watchdog

Education and Qualifications: America is the land of freedom, liberty, and opportunity, but it is under attack. I will work to restore and preserve our freedom, rebuild our economy, protect law and order, and bring common sense to Congress on behalf of all residents of San Luis Obispo County.

I grew up poor, the son of an immigrant mother and a father shattered by the torture of the Bataan Death March that led to his premature death when I was 9 years old. The American Dream was my dream and the only hope I had to build a better life.

I am running for Congress because America faces not just one, but multiple crises. Our livelihoods, communities, and freedoms are at risk, putting in jeopardy the well-being of our seniors, veterans, and families. I will stand up for San Luis Obispo County to protect the values and institutions that made America the beacon of hope for generations.

None of this is new for me! I have been a Central Coast watchdog and taxpayer advocate for the past 30 years, leading a non-partisan coalition of labor, agriculture and business working together to fight corruption and waste and to create more opportunity and higher wages for everyone. I have a record of getting things done!

We can protect our homes and our liberty, expand education choices, and rebuild our economy to create more jobs and prosperity for everyone in San Luis Obispo County. However, we will need to work together. Learn more at www.AndyCaldwell2020.com.

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal, and I'm honored to stand up for our Central Coast values as your representative in Congress.

As a husband, father, and Marine Corps veteran, I am committed to serving our community and country. I attended UCSB while working two jobs to become the first in my family to graduate from a university. My wife, Gina, and I have raised our children here.

I know families are struggling and concerned about the effects of COVID-19 on our health, jobs, and local economy.

I'm working to protect healthcare and ensure it remains affordable and accessible during this pandemic. I helped secure \$77 million to help Central Coast hospitals, clinics, and frontline workers.

I supported emergency aid that brought more than \$1 billion in financial relief for small businesses, farmers, and local governments and retained more than 150,000 jobs.

I will continue working with Republicans and Democrats on solutions for the Central Coast and nation. I'm proud to have worked on legislation that preserves our pristine environment, addresses climate change, and bans offshore oil drilling.

I will keep fighting to create jobs, increase support for veterans, address racial inequality, and promote commonsense gun-safety measures.

I respectfully ask for your vote.

**DECLARACIÓN DE CANDIDATO A
REPRESENTANTE DE EE. UU., DISTRITO 24° DEL CONGRESO**

ANDY CALDWELL

Ocupación: Supervisor del Gobierno

Educación y Competencias: Estados Unidos es la tierra de la libertad, los derechos y las oportunidades, pero se encuentra bajo ataque. Trabajaré para restaurar y preservar nuestra libertad, reconstruir nuestra economía, proteger la ley y el orden y aportar sentido común al Congreso en nombre de todos los residentes del Condado San Luis Obispo.

Me crié en la pobreza, hijo de madre inmigrante y padre abrumado por la tortura de la Marcha de la Muerte de Bataan que lo llevó a su muerte prematura cuando yo tenía 9 años. El Sueño Americano era mi sueño y la única esperanza para construir una vida mejor.

Me postulo para el Congreso porque Estados Unidos se enfrenta no solo a una, sino a múltiples crisis. Nuestros vecindarios, comunidades y libertades están en riesgo, poniendo en peligro el bienestar de nuestras personas mayores, veteranos y familias. Representaré al Condado de San Luis Obispo para proteger los valores y las instituciones que hacen que Estados Unidos sea el faro de esperanza para generaciones.

¡Nada de esto es nuevo para mí! He sido supervisor de la Costa Central y defensor de los contribuyentes durante los últimos 30 años, como líder de una coalición no partidista de trabajo, agricultura y negocios trabajando juntos a fin de combatir la corrupción y el despilfarro y crear más oportunidades y salarios más altos para todos. ¡Tengo una trayectoria de lograr resultados!

Podemos proteger nuestros hogares y nuestros derechos, ampliar las opciones educativas y reconstruir nuestra economía para crear más empleos y prosperidad para todos en el Condado de San Luis Obispo. Sin embargo, debemos trabajar juntos. Conozca más en www.AndyCaldwell2020.com.

**DECLARACIÓN DE CANDIDATO A
REPRESENTANTE DE EE. UU., DISTRITO 24° DEL CONGRESO**

SALUD CARBAJAL

Ocupación: Miembro del Congreso

Educación y Competencias: Soy Salud Carbajal, y me siento honrado de defender los valores de nuestra Costa Central como su representante en el Congreso.

Como esposo, padre de familia y veterano del Cuerpo de la Marina, estoy comprometido con el servicio a nuestra comunidad y nuestro país. Asistí a UCSB mientras trabajaba en dos empleos para ser el primero de mi familia en graduarse de una universidad. Mi esposa, Gina, y yo hemos criado aquí a nuestra familia.

Conozco a ciertas familias que están luchando y se sienten preocupadas por los efectos del COVID-19 en nuestra salud, los empleos y la economía local.

Trabajo para proteger el cuidado de la salud y garantizar que siga siendo asequible y accesible durante esta pandemia. Ayudé a conseguir \$77 millones como colaboración para hospitales, clínicas y trabajadores de la primera línea de la Costa Central.

Respaldé la ayuda de emergencia que aportó más de \$1000 millones en asistencia financiera para los pequeños negocios, la agricultura y gobiernos locales y conservó más de 150,000 empleos.

Seguiré trabajando con los Republicanos y Demócratas en soluciones para la Costa Central y la nación. Me enorgullece haber trabajado en leyes que preservan nuestro medio ambiente prístino, abordan el cambio climático y prohíben la extracción de petróleo en alta mar.

Seguiré luchando para crear empleos, aumentar el apoyo para los veteranos, abordar la desigualdad racial y fomentar medidas de seguridad para el uso de armas basadas en el sentido común.

Con todo respeto le pido su voto.

**STATEMENT OF CANDIDATE FOR
STATE SENATE, 17TH DISTRICT**

JOHN LAIRD

Occupation: California Secretary for Natural Resources

Education and Qualifications: This past March, I received strong support from voters when I ran on a platform that called for dramatic steps to tackle climate change, the affordable housing crisis, the goal of universal healthcare coverage and the need for a more sustainable public education system. Our world has changed in unprecedented ways since then. We are now deeply challenged by a pandemic, the bottom dropped out of our economy, and high-profile incidents of racial injustice have shaken our nation. All of these inter-related issues demand leadership and strong action.

For eight years, I served as Secretary for Natural Resources, working hard on California's climate change efforts, safeguarding agricultural land, leading the state's ocean protection program, and pushing back on federal attempts for more offshore oil drilling. As a Mayor, City Councilmember, Transportation Commissioner, Nonprofit Director and Community College Trustee, I developed experience to tackle the key issues we now face. As an Assemblymember, I authored 82 bills signed into law, on civil rights, environmental protection, first-time homebuyers, community college health services, and more. As Assembly Budget Chair, I navigated difficult fiscal times as I fought for healthcare, education and our environment. I have earned endorsements from teacher, firefighter, nurse and building trades organizations, as well as the League of Conservation Voters, Equality California, Governor Newsom, former Governor Brown, State Schools Superintendent Thurmond and local mayors, county supervisors and school trustees throughout Monterey, San Luis Obispo, Santa Clara and Santa Cruz Counties. I will use my experience, drive and commitment to serve the 17th Senate District. I respectfully ask for your vote. www.LairdforCASenate.com

**STATEMENT OF CANDIDATE FOR
STATE SENATE, 17TH DISTRICT**

VICKI NOHRDEN

Occupation: Businesswoman

Education and Qualifications: I'm Vicki Nohrden. I'm running for State Senate because our state control is out of control. In less than three months, Gavin Newsom issued more than 40 executive orders that changed hundreds of laws without oversight or accountability, shutting down businesses and closing our schools. Sacramento thinks it can force a one-size-fits-all approach on our counties but in the process it fails small businesses, independent contractors, families, and educators, all of whom pay the price.

I stand for freedom and excellence in education. I believe school districts, teachers, and parents, not bureaucrats hundreds of miles away, should be the ones deciding our children's futures. I've spent my public service advocating for people as a Court Appointed Special Advocate (CASA), for families in the justice system, and for taxpayers as a member of the Civil Grand Jury, investigating claims of serious government corruption and mismanagement.

I'm not a career politician with hundreds of thousands of dollars from special interests outside the four counties in our district. I support term limits and oppose Prop 15, one of the biggest tax increases in California history currently on our ballots.

Learn more about me and the issues I want to champion at www.vicki4senate.com.

As our region climbs back from COVID-19, we need fresh vision and leadership, not more tax-and-spend career politicians conducting politics-as-usual in Sacramento. This November vote for new leadership that cares about you and your family, not Sacramento and their special interests. I would be honored to have your vote.

**DECLARACIÓN DE CANDIDATO A
SENADOR DEL ESTADO, DISTRITO 17°**

JOHN LAIRD

Ocupación: Secretario de Recursos Naturales de California

Educación y Competencias: El pasado marzo, recibí un fuerte apoyo de los votantes cuando me postulé en una plataforma que exigía medidas drásticas para hacerle frente al cambio climático, la crisis de vivienda accesible, el objetivo de la cobertura de seguro de salud universal y la necesidad de un sistema de educación pública más sostenible. Desde entonces, nuestro mundo ha cambiado como nunca antes. Ahora, nos enfrentamos al gran desafío de la pandemia, la difícil situación de nuestra economía y los incidentes de injusticia racial con tanta repercusión mediática que han sacudido a nuestra nación. Todos estos problemas interrelacionados exigen liderazgo y una medida enérgica.

Durante ocho años, me desempeñé como Secretario de Recursos Naturales, trabajando arduamente en los esfuerzos de California por el cambio climático, la protección de las tierras agrícolas principales, liderando el programa de protección del océano del estado y rechazando los intentos federales de más extracciones de petróleo en alta mar. Como Alcalde, Miembro del Concejo Municipal, Comisionado de Transporte, Director Sin Fines de Lucro y Administrador de Universidad Comunitaria, desarrollé experiencia para abordar los problemas clave que enfrentamos. Como Asambleísta, redacté 82 proyectos de ley firmados, que incluyen la protección de los derechos civiles, el medio ambiente, los compradores de primera vivienda, los servicios de salud de las universidades comunitarias y más. Como Presidente del Presupuesto de la Asamblea, enfrenté épocas fiscales difíciles al luchar por la atención médica, la educación y nuestro medio ambiente. Cuento con el respaldo de las organizaciones de maestros, bomberos, enfermeras y trabajadores de la construcción, así como de la Liga de Votantes por la Conservación, Equality California, el Gobernador Newsom, el Exgobernador Brown, el Superintendente de Escuelas Estatales Thurmond y alcaldes locales, supervisores de condado y síndicos escolares de los condados de Monterey, San Luis Obispo, Santa Clara y Santa Cruz. Usaré mi experiencia, energía y compromiso para servirle al Distrito de Senado 17°. Respetuosamente le pido su voto. www.LairdforCASenate.com

**DECLARACIÓN DE CANDIDATO A
SENADOR DEL ESTADO, DISTRITO 17°**

VICKI NOHRDEN

Ocupación: Empresaria

Educación y Competencias: Soy Vicki Nohrden. Me postulo para Senadora Estatal porque nuestro control del estado está fuera de control. En menos de tres meses, Gavin Newsom emitió más de 40 órdenes ejecutivas que cambiaron cientos de leyes sin supervisión ni rendición de cuentas, provocando el cierre de negocios y nuestras escuelas. Sacramento piensa que puede imponer un enfoque único en nuestros condados pero en el proceso caen pequeños negocios, contratistas independientes, familias y educadores, todos quienes pagan el precio.

Defiendo la libertad y excelencia en educación. Creo que los distritos escolares, los maestros y padres, no los burócratas a cientos de millas de distancia, deben ser quienes decidan el futuro de nuestros hijos. Dedicé mi servicio público a la defensa de personas como Defensora Especial Designada por el Tribunal (CASA), de familias en el sistema de justicia, y de contribuyentes como miembro del Gran Jurado Civil, investigando reclamos de casos graves de corrupción y mala administración gubernamental.

No soy una política de carrera con cientos de miles de dólares de intereses especiales fuera de los cuatro condados de nuestro distrito. Defiendo los límites de mandatos y me opongo a la Propuesta 15, uno de los mayores aumentos de impuestos en la historia de California que actualmente se encuentra en nuestras boletas.

Conozca más sobre mí y los problemas que quiero resolver en www.vicki4senate.com.

Como nuestra región se está recuperando de COVID-19, necesitamos una visión y liderazgo renovados, basta de políticos de carrera que solo quieren recaudar y gastar, haciendo la misma política de siempre en Sacramento. En noviembre vote por un nuevo liderazgo que se preocupe por usted y su familia, no por Sacramento y sus intereses especiales. Sería un honor contar con su voto.

**SHANDON JOINT UNIFIED SCHOOL DISTRICT
FULL TEXT OF MEASURE H-20**

With no projected increase in current tax rates, shall Shandon Joint Unified School District's measure to repair deteriorating septic systems, improve student safety, upgrade technology and provide additional classrooms by authorizing \$4 million in bonds be adopted with legal rates, levies averaging less than \$0.04 per \$100 of assessed valuation through 2048 (generating \$260,000 per year), annual audits, independent oversight and no funds used for administrators' salaries or benefits?

Bonds - Yes

Bonds - No

BOND AUTHORIZATION

By approval of this proposition by at least 55 percent of the registered voters voting on the measure, the Shandon Joint Unified School District (the "District") will be authorized to issue and sell bonds of up to \$4 million in aggregated principal at interest rates not in excess of the legal limit and to provide financing for the specific projects listed in the Bond Project List described below, subject to all the accountability requirements specified below.

The Bonds may be issued under the provisions of the California Education Code (starting at Section 15100), under the provisions of the California Government Code (starting at Section 53506), or under any other provision of law authorizing the issuance of general obligation bonds by school districts. The Bonds may be issued in series by the District from time to time, and each series of Bonds shall mature within the legal limitations set forth in the applicable law under which the Bonds are issued.

FINANCING PLAN

The District intends to use the Bonds to modernize, replace, renovate, equip, acquire and rebuild the District facilities on the Bond Project List. No series of Bonds will be issued if such issuance would cause the tax rate levied to pay debt service on all of the outstanding Bonds to exceed \$40 per year per \$100,000 of taxable property, based on projections made by the District at the time of issuance of such series of Bonds.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facility needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following).

Evaluation of Needs. The Board of Trustees of the District (the "Board of Trustees") has identified detailed facility needs of the District and has determined which projects to finance from a local bond at this time. The Board of Trustees hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List shown below.

Independent Citizens' Oversight Committee. The Board of Trustees shall establish an Independent Citizens' Oversight Committee under Education Code Section 15278 and following to ensure that bond proceeds are expended only on the school facilities projects described in the Bond

Project List below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board of Trustees.

Annual Performance Audits. The Board of Trustees shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects described in the Bond Project List below.

Annual Financial Audits. The Board of Trustees shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects described in the Bond Project List below.

Annual Report to the Board. As long as any proceeds of the bonds remain unexpended, the Superintendent shall cause a report to be filed with the Board of Trustees no later than January 1 of each year, commencing on the first January 1 after bonds have been issued and proceeds spent, stating (1) the amount of bond proceeds received and expended in the past fiscal year, and (2) the status of any project funded or to be funded from bond proceeds. The report may be incorporated into the annual budget, annual financial report, or other appropriate routine report to the Board.

Expenditure of Bond Proceeds. The proceeds from the sale of the District's bonds will be used only for the purposes specified in this measure, and not for any other purpose. Such proceeds will be deposited into a Project Fund to be held by the San Luis Obispo County Treasurer, as required by the California Education Code.

FURTHER SPECIFICATIONS

No Administrator Salaries. Proceeds from the sale of bonds authorized by this proposition shall be used only for the school facilities projects described in the Bond Project List below, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to Section 15100 of the California Education Code, and all the enumerated purposes shall constitute the specific single purpose of the bonds and proceeds of the bonds shall be spent only for such purpose.

Other Terms of the Bonds. The bonds may be issued and sold in several series, and in accordance with a financing plan determined by the Board of Trustees pursuant to requirements of law. When sold, the bonds shall bear interest at an annual rate and with a term not exceeding the statutory maximum. Furthermore, the weighted average maturity of each issue of bonds will not exceed 120 percent (120%) of the average reasonably expected economic life of the projects financed by the bonds, consistent with federal tax law. Bond funds may be used to reimburse the District for Bond Project List expenditures incurred prior to the election and bond issuance, in accordance with federal tax law.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

This measure authorizes the issuance of general obligation bonds to finance the types of projects set forth on the Project List below, to be repaid by tax collections for the years that the bonds are outstanding. The measure present to District voters on the ballot, as set forth above, includes information regarding the expected average amount of money to be raised annually to pay issued bonds, the estimated rate of the approved tax per \$100 of assessed valuation, and the year through which it is approximated the proposed tax will be levied and collected. In preparing this information, the District obtained reasonable and informed projections of assessed property valuations that took into consideration projections of assessed property valuations made by the County Assessor, if any, in accordance with Education Code Section 15100(c).

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District, nor are the summary estimates, if any, provided in the Ballot Measure.

Each of these estimates and approximations are provided as informational only. Such amounts are estimates only, and are not maximum amounts or limitations on the terms of the bonds or the tax rate or duration supporting repayment of the bonds. The approximations and estimates provided depend on numerous variables which are subject to variations and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, timing of project needs, and changes in assessed valuation in the District. As such, while such estimates and approximations have been provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District.

BOND PROJECT LIST

This Bond Project List, which is an integral part of the ballot measure, describes the specific projects the District proposes to finance with bond proceeds.

Proceeds from the sale of bonds authorized by this measure shall be used to modernize, replace, renovate, equip and rebuild the District's facilities, including the furnishing and equipping of said school facilities, or the acquisition or lease of real property for said school facilities.

The District facilities include:

The repairs, renovations, constructions and equipment acquisitions shall include but not be limited to:

- Repair and replacement of septic systems and aging restroom
- Replacement and repair of wiring and electrical systems including upgrade of power systems to accommodate 21st century technology systems
- Repair and installation of drainage systems
- Repair of asphalt paving
- Installation of communication systems including alarms and cameras for increased student safety
- Remove asbestos
- Replace windows
- Acquire portable classrooms
- Landscape school grounds, playgrounds and athletic fields as needed
- Refurbish and remodel elementary, middle and high school facilities
- Upgrade technology and equipment throughout the District
- Repair and upgrade fire alarm systems as necessary to meet current and new standards

Each of the bond projects described in this Bond Project List include the costs of furnishing and equipping such facilities, and all costs which are incidental but directly related to the types of projects described above. Examples of incidental costs include, but are not limited to: costs of design, engineering, architect and other professional services, facilities assessments, inspections, site

preparation, utilities, landscaping, construction management and other planning and permitting, legal, accounting and similar costs; independent annual financial and performance audits; a customary construction contingency; demolition and disposal of existing structures; the costs of interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; interim classrooms and facilities for students, administrators, and school functions, including modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; costs of the election; bond issuance costs; and project administration during the duration of such projects, as permitted by law.

The scope and nature of any of the specific projects described above may be altered by the District as required by unforeseen conditions that may arise during the course of design and construction. In the event that a modernization or renovation project is more economical for the District to be undertaken as new construction, this bond measure authorizes land acquisition, relocation and construction and/or reconstruction, and all costs relating thereto, for said reason or, alternatively, based on other considerations deemed in the best interest of the District by the Board. In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests, required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities. In addition, authorized projects include reimbursements for paid project costs and paying and/or prepaying interim or previously obtained financing for the types of projects included on the project list, such as bond anticipation notes, and including payment and prepayment of lease payments relating to projects and/or equipment previously financed.

The order in which school facilities projects are listed in the foregoing Bond Project List does not suggest an order of priority. Project priorities will be determined by the Board. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

Projects Subject to Available Funding. The foregoing list of projects is subject to the availability of adequate funding to the District. Approval of the District's bond measure does not guarantee that all of the identified projects within this Bond Project List will be funded beyond what can be completed with local funds generated by the bond measure. The District's proposal for the projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure. The District plans to pursue funds from the State of California, if available, to complete certain of the identified facilities projects.

IMPARTIAL ANALYSIS OF MEASURE H-20

Bonds are financial instruments used to borrow money. Under the California Constitution, school districts may issue bonds if approved by at least 55 percent of voters within the boundaries of the district who are voting on a measure to authorize the issuance of bonds. The bonds are sold to the public and constitute a debt of the district. The principal and interest on the bonds are repaid by an annual property tax levy on all real property within the jurisdiction of the school district, calculated on the current assessed value of each property (an “*ad valorem* tax”).

The Board of Trustees of the Shandon Joint Unified School District (“the District”) has placed Measure H-20 on the ballot, proposing the sale of bonds in an amount not to exceed \$4 million. The District’s Tax Rate Statement, included in the voter information guide, which was mailed to voters of the District, reflects an estimate of the maximum property tax levies required to service the bonds.

As legally required, proceeds from the sale of the bonds may only be used for the purposes identified in the measure, including: repairing and replacing septic systems, restrooms, wiring and electrical systems, asphalt paving, and windows; upgrading power and fire alarm systems; repairing and installing drainage systems; installing communication systems, including alarms and cameras for increased student safety; removing asbestos; acquiring portable classrooms; refurbishing and remodeling school facilities; landscaping school grounds; and upgrading technology and equipment (all as more specifically described in the full-text of the measure). The law prohibits the use of bond proceeds to pay for teacher and administrator salaries or other operational expenses.

Approval of the measure does not guarantee that all proposed projects of the District to be improved with bond proceeds will be funded beyond the local revenues generated by the measure. The District’s proposal for the projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.

As required by law, the District must follow certain accountability provisions to oversee the funds collected and expended, including the establishment of an independent citizens’ oversight committee, the annual completion of performance and financial audits, and an annual report detailing proceeds received by the sale of the bonds and expenditures made, all requirements of which are reflected in the full text of measure.

The District’s Tax Rate Statement provides the District’s best estimate of the highest tax rate to be levied at an approximate rate of no more than four cents per \$100 (or \$40 per \$100,000) of assessed property value per year. The final fiscal year in which the tax is anticipated to be collected is 2047-48.

A “Yes” vote on this measure is a vote in favor of the issuance of \$4 million in general obligation bonds to be used for the purposes explained in Measure H-20.

A “No” vote on this measure is a vote against the issuance of \$4 million in general obligation bonds for the purposes explained in Measure H-20.

TAX RATE STATEMENT FOR MEASURE H-20

An election will be held in the Shandon Joint Unified School District (the "District") on November 3, 2020, to authorize the sale of up to \$4 million in bonds of the District to finance school facilities as described in the measure. If the bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate which would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.033 per \$100 of assessed valuation (or \$33 per \$100,000 of assessed value). The final fiscal year in which the tax is anticipated to be collected is 2047-2048.
2. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is \$0.04 per \$100 of assessed valuation (or \$40 per \$100,000 of assessed value). It is estimated that such rate would be levied starting in fiscal year 2029-2030 and following.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$6.9 million.

Voters should note the estimated tax rate is based on the assessed value (not market value) of taxable property on the County's official tax rolls, not on the property's market value. Taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and are not binding upon the District. The actual tax rates, debt service, and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors.

The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of each sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as determined by the County Assessor in the annual assessment and the equalization process.

ARGUMENT IN FAVOR OF MEASURE H-20

In 2016, our community came together and overwhelmingly passed Measure K – the first local school improvement bond approved by Shandon voters in nearly 30 years. With these voter-approved funds, we upgraded classrooms, repaired plumbing and septic tanks and replaced aging electrical wiring.

Now, we have the unique opportunity to continue making essential improvements to our schools **without increasing taxes**.

Measure H will provide Shandon's schools with the financial tools to make critical safety improvements and better prepare our students for careers in a changing economy, including:

- Modernizing and expanding vocational shops and labs
- Improving school security and student safety
- Renovating classrooms

In addition, just like Measure K, this new bond comes with iron-clad taxpayer protections to ensure that every tax dollar is carefully watched over and managed, including:

- Rigorous independent oversight and annual audits
- Prohibiting the use of funds to pay administrators' salaries and benefits
- Guarantees that all bond money will be spent locally and not taken by the state to be used elsewhere

Covid-19 has impacted both our schools and our students. Yet overnight, our teachers and staff adapted to the challenges brought on by the pandemic and continued to educate, stay connected with and care for our children.

One of the most important lessons we learned from this is that we must remain prepared for emergencies. Measure H will allow our schools to stay prepared for whatever lies ahead, **without increasing taxes**.

The quality of our schools and the education of our children are critical to the wellbeing of our community. Amid the uncertainty ahead, we must provide the resources to **ensure our children and our schools thrive**. As they thrive, so will we all.

Our schools are our most valuable public resource. Let's make sure they remain that way. Vote Yes on Measure H.

San Luis Obispo County Fire Needs YOU!

Paid Call Firefighter (PCF) Program

CAL FIRE / San Luis Obispo County Fire is a combination department that uses both career and paid-call firefighters in reaching our mission. We refer to the Paid Call Firefighters (PCF's) because they are financially reimbursed for each call to which they respond. Paid Call Firefighters provide fire protection, emergency medical service, hazardous materials responses and other services to the communities in which they live and/or work.

Paid Call Firefighters join the fire department for opportunities to contribute to the community, learn new skills to save lives and property and for camaraderie. Many are future career firefighters honing their skills while waiting for a full time position. Others come from the community with the united mission of making a difference in the community they serve. Paid Call Firefighters (PCF's) are a cost-efficient method used to increase staffing and provide elevated levels of service.

San Luis Obispo County Fire is actively recruiting Paid Call Firefighters to help protect their community. Paid Call Firefighters respond to emergencies from their home or work. If you are interested in becoming a Paid Call Firefighter (volunteer), please contact the CAL FIRE/San Luis Obispo County Fire station closest to your home.
