

# GWSS Host List by Common Name

Friday, April 08, 2016

12:30:11 PM

| Common Name             | Scientific Name    | Common Name          | Scientific Name     | Common Name         | Scientific Name        |
|-------------------------|--------------------|----------------------|---------------------|---------------------|------------------------|
|                         |                    | Beech tree           | Fagus spp.          | Catawba             | Catalpa spp.           |
| Acacia                  | Acacia spp.        | Begonia              | Begonia spp.        | Cat's Claw          | Macfadenyaspp.         |
| Aeonium                 | Aeonium spp.       | Birch                | Betula spp.         | Cedar               | Thuja spp.             |
| African boxwood         | Myrsine spp.       | Bird of paradise     | Strelitzia spp.     | Ceratostigma        | Ceratostigma spp.      |
| African daisy           | Osteospermum spp.  | Blackberry           | Rubus spp.          | Cestrum             | Cestrum spp.           |
| African iris            | Dietes spp.        | Blue sky flower      | Thunbergia spp.     | Champak             | Michelia spp.          |
| Agapanthus              | Agapanthus spp.    | Blueberry            | Vaccinium spp.      | Chaste tree         | Vitex spp.             |
| Agave                   | Agave spp.         | Boneset              | Eupatorium spp.     | Cherimoya           | Annona sp              |
| Alder                   | Alnus spp.         | Boston ivy           | Parthenocissus spp. | chile               | Capsicum spp.          |
| Aleurites               | Aleurites spp.     | Bottle tree          | Brachychiton spp.   | Chinaberry          | Melia spp.             |
| Aloe                    | Aloe spp.          | Bottlebrush          | Callistemon spp.    | Chinese snowball    | Viburnum spp.          |
| Aloysia                 | Lippia spp.        | Bougainvillea        | Bougainvillea spp.  | Chinese tallow      | Triadica spp (Sapium s |
| Aloysia                 | Phyla spp.         | Bower vine           | Pandorea spp.       | Chinese tallow tree | Sapium spp             |
| Amaranth                | Amaranthus spp.    | Box tree             | Lophostemon spp.    | Chinquapin          | Castanopsis spp.       |
| American linden tree    | Tilia spp.         | Boxleaf azara        | Azara spp.          | Chitalpa            | Chitalpa spp.          |
| Ananas                  | Ananas spp.        | Boxwood              | Buxus spp.          | Chokecherry         | Aronia spp.            |
| Angel's Trumpet tree    | Brugmansia         | Brambles             | Rubus spp.          | Christmas cacuts    | Schlumbergera spp.     |
| Apple                   | Malus spp.         | Brazilian dutchman's | Aristolochia spp.   | Chrysanthemum       | Chrysanthemum spp.     |
| Aptenia                 | Aptenia spp.       | Brisbane box         | Tristania spp.      | Cissus              | Tetrastigma            |
| Aralia ivy              | Fatshedera spp.    | Brugmansia           | Datura spp.         | Citrus              | Citrus spp.            |
| Arborvitae              | Thuja spp.         | Brunfelsia           | Brunfelsia spp.     | Cleyera             | Cleyera spp.           |
| Arizona rosewood        | Vauquelinia spp.   | Brush cherry         | Eugenia spp.        | Cocculus            | Cocculus spp.          |
| Ash                     | Fraxinus spp.      | Brush cherry         | Syzygium spp.       | Cocklebur           | Xanthium spp.          |
| Asparagus               | Asparagus spp.     | Buckeye              | Aesculus spp.       | Coconut             | Cocos spp.             |
| Aspidistra              | Aspidistra spp.    | Buckthorn            | Rhamnus spp.        | Coffee              | Coffea spp.            |
| Australian blue bell cr | Sollya spp.        | Bugleweed            | Ajuga spp.          | Coleus              | Coleus spp.            |
| Australian Tee Tree     | Leptospermum spp.  | Butterfly bush       | Buddleja spp.       | Coneflower          | Rudbeckia spp.         |
| Australian willow       | Geijera spp.       | Cactus               | Opuntia spp.        | Coral tree          | Erythrina spp.         |
| Avocado                 | Persea spp.        | Caesalpinia          | Caesalpinia spp.    | Coreopsis           | Coreopsis spp.         |
| Ayo ginger              | Hedychium spp.     | Calla lily           | Zantedeschia spp.   | Cotoneaster         | Cotoneaster spp.       |
| Azalea                  | Azalea             | Camellia             | Camellia spp.       | Cotton              | Gossypium spp.         |
| Azalea                  | Rhododendron spp.  | Camphor tree         | Cinnamomum spp.     | Cottonwood          | Populus spp.           |
| Banana                  | Ensete spp.        | Canna                | Canna spp.          | Coyote Brush        | Baccharis spp.         |
| Banana                  | Musa spp.          | Cape chestnut        | Calodendrum spp.    | Cranesbill          | Geranium spp.          |
| Banana shrub            | Michelia spp.      | Cape honeysuckle     | Tecomaria spp.      | Crape myrtle        | Lagerstroemia spp.     |
| Barbados Gooseberry     | Pereskia spp.      | Cape honeysuckle     | Tecoma spp.         | Crassula            | Crassula spp.          |
| Barberry                | Berberis spp.      | Carnation            | Dianthus spp.       | Cupaniopsis         | Cupaniopsis spp.       |
| Basket plant            | Aeschynanthus spp. | Carob                | Ceratonia spp.      | Cuphea              | Cuphea spp.            |
| Beard-tongue            | Penstemon spp.     | Carrot Wood          | Cupaniopsis spp.    | Cycad               | Cycas spp.             |
| Bee balm                | Monarda spp.       | Castanospermum       | Castanospermum      | Date palm           | Phoenix spp.           |
| Bee bee tree            | Tetradium spp.     | Castor bean          | Ricinus spp.        | Daylily             | Hemerocallis spp.      |
