Upcoming CDC COCA Call on Updated Recommendations for COVID-19 Vaccine Use

COCA Call Details

During this COCA Call, presenters will discuss updated COVID-19 vaccine recommendations by age group and for those with immunocompromise. They will also highlight optional COVID-19 vaccine doses for specific populations. With this simplified schedule, the Centers for Disease Control and Prevention continues to recommend that everyone stay up to date with recommended COVID-19 vaccines to better protect themselves from severe illness and death.

- **What:** CDC Clinician Outreach and Communication Activity (COCA) Call: Updated Recommendations for COVID-19 Vaccine Use
- **When:** Thursday, May 11, from 11:00 AM – 12:00 PM PST
- **Presenters:**
 - *Evelyn Twentyman, MD, MPH, Lead, Vaccine Policy Unit, COVID-19 Response, Centers for Disease Control and Prevention*
 - *Sara Oliver, MD, MSPH, CDR, U.S. Public Health Service, Lead, COVID-19 Coordinating Unit, ACIP Work Group Lead for COVID-19 Vaccines, COVID-19 Response, Centers for Disease Control and Prevention*
- **To join the call on May 11** (no pre-registration necessary):
