**POLICY NO:** 03-19  
**TO:** Service Providers  
**FROM:** Department of Social Services  
**EFFECTIVE:** January 01, 2020, Revised December 10, 2020  
**SUBJECT:** WIOA Priority of Service Requirements

**REFERENCES:**

- Jobs for Veterans Act of 2002 (P.L. 107-288)
- TEGL 7-20 Effective Implementation of Priority of Service Provisions for Most in Need Individuals in the WIOA Adult Program

**PURPOSE:**

This directive is to establish a policy for determining Priority of Services for Adults and Veterans/Spouses of Certain Veterans receiving individualized career services and training services under WIOA programs.

This policy is based on SLOWDB's interpretation of WIOA law, regulations and policies and federal, state and local laws, regulations and policies. This policy will be reviewed and updated based on any additional federal or state guidance.

**BACKGROUND:**

As stated in WIOA Section 134(c)(3)(E), with respect to individualized career services and training services funded with WIOA adult funds, priority of service, regardless of funding levels, must be given to recipients of public assistance, other low-income individuals, or individuals who are basic skills deficient.

Veterans and eligible spouses continue to receive priority of service for all WIOA funded programs amongst all participants. These requirements were not affected by the passage of the WIOA and must still be applied in accordance with guidance previously issued by the DOL and Workforce Services Directive WSD08-10.

**POLICY:**

It is the policy of the San Luis Obispo Workforce Development Board that priority of service status is established at the time of eligibility determination and does not change during the period of participation. Priority does not apply to the dislocated worker population.

Priority of Service mandates a minimum of 75% of the newly enrolled Adults receiving individualized career or training services be in a Priority of Service Category.

Priority for individualized career and training services will be given to individuals in one or more of the following categories at all times:

- Receiving public assistance
- Low income individual
- Basic skills deficient (including English language learners)

Veterans and eligible spouses receive priority of service among all eligible individuals; however, they must meet the WIOA adult program eligibility criteria and meet the criteria under WIOA Section 134(c)(3)(E). As described in TEGL 10-09, when programs are statutorily required to provide priority, such as the WIOA adult program, then priority must be provided in the following order:

1. First: Veterans and eligible spouses who are also recipients of public assistance, other low-income individuals, or individuals who are basic skills deficient.
2. Second: Individuals who are the recipient of public assistance, other low-income individuals, or individuals who are basic skills deficient
3. Third: Veterans and eligible spouses who are not included in WIOA's priority groups
4. Fourth: Other individuals not included in WIOA's priority groups.

Serving Separating Service Members and Military Spouses with Dislocated Worker Funds

Under TEGL 22-04, service members exiting the military, including, but not limited to, recipients of Unemployment Compensation for Ex-Military members (UCX), generally qualify as dislocated workers. Dislocated Worker funds under Title I can help separating service members to enter or reenter the civilian labor force.

Regarding military spouses, WIOA expands the definition of dislocated workers to include military spouses who have lost employment as a direct result of a relocation to accommodate a permanent change in duty station of the spouse. Military spouses may also qualify if they are a dependent spouse of a member of the Armed Forces on active duty whose family

income is significantly reduced, as determined by the State or local area, because of a deployment, a call or order to active duty, a permanent change of station, or the service-connected death or disability of the service member. Military spouses also can qualify if they are unemployed or underemployed and are experiencing difficulty in obtaining or upgrading employment (see WIOA sections 3(15)(E) and 3(16)(A) and (B)).
